Comprehensive System Control

The control panel features a battery level indicator on the left with seven bars, the top three of which are green. To the right of the indicator is a dark rectangular display screen. Below the display is an orange 'AC' icon with arrows pointing outwards. Further right are three buttons labeled 'P1', 'P2', and 'P3', with a bracket underneath them labeled 'PERFORMANCE TUNING'. To the right of these buttons are five circular buttons with orange arrow icons: two pointing right, one pointing left, and two pointing down.
